Step 5 :- After verified create username and password

The screenshot shows a web browser window with the URL `https://nh38977.ap-southeast-1.snowflakecomputing.com/console/login?activationToken=ver%3A1-hint%3A9513078793-ETMsDgAAAYPuWzF0ABRBRVMvQ0JDL1BLQ1M...`. The page displays the Snowflake logo and a welcome message: "Welcome to Snowflake!". Below this, it says "david john, please choose a username and password to get started". There are three input fields: "Username", "Password", and "Confirm password". The "Username" field has a hint: "Username can contain only letters and numbers." The "Password" field has a hint: "Your password must be 8 - 256 characters and contain at least 1 number(s), 0 special character(s), 1 uppercase and 1 lowercase letter(s)." At the bottom of the form is a blue button labeled "Get started".

Welcome to Snowflake!

david john, please choose a username and password to get started

Username

Username can contain only letters and numbers.

Password

Your password must be 8 - 256 characters and contain at least 1 number(s), 0 special character(s), 1 uppercase and 1 lowercase letter(s).

Confirm password

Step 6 :- snowflake page open.

The screenshot shows a web browser window with the URL `app.snowflake.com/learn`. The page is titled "Learn" and features a sidebar on the left with navigation options: Worksheets, Dashboards, Data, Marketplace, Activity, Admin, Help & Support, Learn (selected), and Support. Below the sidebar, there is a trial status box indicating "41 days left in trial" and an "Upgrade" button. The main content area is divided into two sections: "Learn" and "Foundations". The "Learn" section includes links to "Snowflake Trial" and "Snowflake Data Marketplace". The "Foundations" section is a large card titled "Snowflake 101" with the subtitle "Learn the basics of Snowflake, from terminology to concepts". It contains eight sub-topics arranged in two columns: Snowflake Architecture, Credits, Users, Snowflake Editions, Setup Cost Controls, Warehouses, Key Features, and Access Controls. Each sub-topic has a brief description. The bottom of the page shows a Snowflake logo and the account ID "ZX61940".

Create a classic Console

Step 1:- click a username place and show dropdown box click on profile.

The screenshot shows the Snowflake Learn page in a web browser. The browser's address bar displays `app.snowflake.com/learn`. In the top-left corner, a user profile card for 'david john' (ACCOUNTADMIN) is visible. A dropdown menu is open below this card, listing options: 'david john', 'Switch Role' (ACCOUNTADMIN), 'Profile', 'Documentation', 'Support', and 'Sign Out'. The 'Profile' option is highlighted. The main content area features a 'Learn' section with links to 'Snowflake Trial' and 'Snowflake Data Marketplace'. Below this is a 'Foundations' section titled 'Snowflake 101' with a list of topics: Snowflake Architecture, Warehouses, Credits, Key Features, Users, Access Controls, Snowflake Editions, SnowSQL, and Setup Cost Controls. A trial timer in the bottom-left corner indicates '41 days left in trial' with an 'Upgrade' button.

Step2 :- Profile Page Open. Select a Default Experience.

The screenshot displays the Snowflake Learn application interface. On the left, a sidebar contains navigation links: Worksheets, Dashboards, Data, Marketplace, Activity, Admin, and Help & Support. Below these is a trial status indicator showing '41 days left in trial' and an 'Upgrade' button. The main content area is partially obscured by a 'Profile' modal window. This modal contains the following fields and options:

- Profile photo:** A circular icon with 'DJ' and an 'Upload' button.
- Username:** DAVID
- First Name:** david
- Last Name:** john
- Password:** A masked field with a toggle for visibility.
- Email:** dj0756556@gmail.com
- Default Experience:** A dropdown menu currently set to 'Snowsight'.
- Language:** A dropdown menu currently set to 'English'.
- Notifications:** A toggle switch labeled 'Notify when queries finish in the background'.
- Multi-factor authentication:** A section with explanatory text and an 'Enroll' button.

At the bottom of the modal are 'Close' and 'Save' buttons. The background page shows a 'Marketplace' section with text about queryable data and compute technology.

Step 3:- And Select a “Classic UI” and “Save”.

The screenshot shows the Snowflake Learn web application. The browser address bar displays `app.snowflake.com/learn`. On the left sidebar, the user is logged in as "david john ACCOUNTADMIN". The sidebar menu includes "Worksheets", "Dashboards", "Data", "Marketplace", "Activity", "Admin", and "Help & Support". The "Learn" option is highlighted. Below the menu, a trial status box indicates "41 days left in trial" with an "Upgrade" button. The main content area is partially obscured by a "Profile" settings modal. The modal contains the following fields and options:

- Profile photo:** A circular icon with "DJ" and an "Upload" button.
- Username:** DAVID
- First Name:** david
- Last Name:** john
- Password:** A masked field with a toggle to show/hide the password.
- Email:** dj0756556@gmail.com
- Default Experience:** A dropdown menu currently set to "Classic UI".
- Language:** A dropdown menu with "Snowsight" and "Classic UI" (selected).
- Notifications:** A toggle switch for "Notify when queries finish in the background".
- Multi-factor authentication:** A section with an "Enroll" button and explanatory text.

At the bottom of the modal are "Cancel" and "Save" buttons.

Step 4:- Then Select Admin and go in Account.

Now you can use a Classica console

The screenshot displays the Snowflake Classica console interface. At the top, there are two browser tabs: "Organization" and "Worksheet - New Worksheet". The address bar shows the URL: `hpesuwj-zx61940.snowflakecomputing.com/console#/internal/worksheet`. Below the address bar is a navigation bar with icons for Databases, Shares, Marketplace, Warehouses, Worksheets (highlighted), History, and Account. On the right side of the navigation bar, there are links for Partner Connect, Help, Notifications, and Snowsight, along with the user name "DAVID ACCOUNTADMIN".

A banner message states: "Our updated **Worksheets** experience now includes autocomplete, an improved object browser, and a new search. Visualize your results with **Dashboards** and share work with colleagues without leaving the product." Below this message are two buttons: "Go to Snowsight" and "Remind me later".

The main workspace is titled "New Worksheet". On the left, there is a sidebar for "Find database objects" with a search bar and a list of objects: "SNOWFLAKE" and "SNOWFLAKE_SAMPLE_DATA". The main area contains a "Run" button, a checkbox for "All Queries", and a status indicator "Saved 50 seconds ago". Below this is a large text area for writing queries. At the bottom, there are tabs for "Results" and "Data Preview", and a button for "Open History". The bottom of the main area contains the text "Query results will appear here."

Thank YOU
